

## **SARC Minutes September 16<sup>th</sup>, 2010**

Those members present included:

John Brown

Debra Brown

Bob Sullivan

Larry DeFilippi

Guests included:

Emmett Childress

### **SARC Minutes:**

Minutes from July meeting was passed out for everyone to read. Bob moved to accept minutes, John seconded, minutes approved.

### **Treasurer's Report:**

Pat was not able to attend meeting tonight but sent an email to John . Bank statement shows \$548.00 in SARC Account as of Aug.31, 2010. John finally received bank bag from Wayne and took it to Pat. Pat, Tim, and John has been to Regions Bank and signed bank paperwork.

### **Repeaters:**

Bob has the duplexers tuned and ready. Gave them to John tonight. Discussed mounting temporary antenna at about 50 ft. to get repeater back on the air. John has some feedline. Will send Bob the info on the hardline so he can check on availability of connectors locally. John will check to see if he can get a standoff bracket constructed. It should extend at least 1 meter from tower.

Crestview D-star VHF repeater down. Antenna party scheduled this Saturday to repair and / or replace antenna. 70 cm and 36 machine are ok.

Opp repeater doing ok.

### **Old Business:**

Web Page Domain:

Those present decided that we need to go ahead and get the **WC4M.INFO** Domain asap. John has the ARRL Application for the Callsign Trustee change. We will also need to update the vanity call WC4M in 2012. Vanity Call Renewal fee is currently \$20.00.

### **SARC Fall Picnic:**

It was decided that the SARC Fall picnic will be Saturday, October 09, 2010 at Open Pond Recreational Area in Conecuh National Forest. We decided to do "pot luck" on the menu so we will eat what is brought. Bob and John both mentioned camper problems. John and Debra will not be camping this year. Possible foxhunt and mostly just have a good meal and have a good time.

Everyone is welcome. Bring a dish and join the fun!

Meeting adjourned
